
The spamcomments in the gallery

Posted by Toffe - 2008/08/14 18:19

Just a quick note.

I just set the gallery so that you have to be logged in to write comments on pictures. I hope it's all right with you all.

Now you can't leave anonymous cpmments, but we won't have to read all those spam comments.

Let me know if there's any problems.
